

Appl. No. 10/612,587  
Paper dated August 3, 2005  
Reply to Notice of Allowance dated June 30, 2005

**REMARKS**

Pursuant to 37 C.F.R. § 1.312, Applicants request entry of the foregoing amendments. A Notice of Allowance was issued by the United States Patent & Trademark Office on June 30, 2005. The issue fee payment is due September 30, 2005, and has not yet been paid.

Claims 1 and 2 are now amended to provide antecedent basis. Claim 1 had recite, *inter alia*, "release buttons which allows..." and "each of the *lock* release buttons." (emphasis added). The word "lock" before the phrase "release buttons" was inconsistent with the initial use of the phrase "release buttons." Similar wording appears in Applicants' claim 2.

By this paper, the word "lock" is deleted before the phrase "release buttons" in claim 1 and claim 2. These amendments are not believed to adversely impact patentability of the pending claims. Entry of these amendments is requested.

In the event that a telephone conference would facilitate the examination of this application in any way, the Examiner is invited to contact the undersigned at the number provided.
